

As a resident of the Dixon community for over twenty years, K-Love radio station has served as my primary radio station for over 5 years. Most of my friends and family enjoy family-friendly programming everyday and the support and encourage from this radio station is an important part of our lives. Especially for someone w Like me who spends 10-12 hours in my car a week. I belive it is in the public best interest to continue to provide us with such an awesome source of news and information. please do not take k-love programming away.
